Tectyl™ 150

Solvent based Tectyl remover

Tectyl 150 can be used to remove cured Tectyl solvent based coating (after storage or shipment) from the protected object/substrate. Tectyl 150 can be used to remove uncured Tectyl solvent based coatings. Tectyl 150 can also be used as a degreaser for other purposes.

Applications

Surface Preparation

CorPro recommends a substrate temperature of 10 - 35 °C at the time of product application.

Application

Tectyl 150 is formulated to be used as supplied. Stirring is generally not required. Application should take place in a well ventilated area. Tectyl 150 can be applied by spraying with a spray gun or by cloth in case of small areas. Let the product work for approximately 3 - 6 minutes before removing Tectyl 150 off by high pressure water, preferably hot water or steam, leaving a clean surface.

Features & Benefits

Excellent performance

Tectyl 150 gives an excellent clean surface coating and is highly economical in use.

Easy to apply

Application can be done with a brush or cloth in case of small areas.

Easy to use

Tectyl 150 is an easy-to-use product, which removes most solvent based Tectyl

End result

Tectyl 150 leaves a clean and grease free substrate.

Trusted since 1930

Since 1930, Tectyl™ protective coatings have been extending the operational life of cars, trucks, buses and other vehicles and equipment. The Tectyl name is synonymous with quality coatings that are easy to apply, long-lasting and easy to remove when no longer required.

Storage

Tectyl 150 is frost-resistant. Tectyl 150 should be stored at temperatures between 0 and +35 °C. Packaging with product should be protected from direct sunlight and heat. Under proper storage conditions Tectyl 150 is best before 60 months after production date.

Caution

Adequate ventilation is required for cure and to ensure against formation of combustible liquid. The partially cured film should not be exposed to ignition sources such as flares, flames, sparks, excessive heat or torches. Refer to The Safety Data Sheet for additional handling and first aid information.
